

# FMF Cape Breton – Op LASER Update 14 May 2020

**Current Posture:  
3C “Protect” - Minimum Manning**

## Update Message

Though a revised Fleet Schedule has not yet been released, FMFCB has been given notice that our priorities on return to work will be to prepare WINNIPEG and REGINA for RIMPAC, with WIN continuing on to a follow-on deployment. We'll then follow that up by getting back to work on VICTORIA and TE KAHA. We went from having a very light summer planned pre-COVID to having our work cut out for us, and the fleet will value every hour of work we can put into the ships and submarines.

Preparations for resumption of work onsite are continuing apace – we have a number of employees at work getting ready, for example by printing and mounting signage, procuring cleaning products, setting up shops and offices, and finalizing the Exposure Control Plan (ECP) and the Business Resumption Plan (BRP). Thanks to all those working hard to ensure the safety of the FMFCB team on our return to work! There are likely to be many questions about all of this – the ECP and BRP will be released in the near future, and should answer many of these.

## Work Priorities

- Support CAL, REG & BRN to facilitate their return to sea;
- Limited support to DND contractual requirements in VAN & OTT;
- Plan to prepare/support follow-on forces (WIN; REG; VIC; TEK); and
- Support other safety/urgent requirements as directed.

*Due to limited capacity, please do not use DVPNI unless specifically authorized.  
Report your status to your supervisor daily by 09h00.*
